Drive-thru Safari Guidelines

The Drive-thru safari offers a new experience with our safari animals. Visitors are invited to stay in their own vehicles as they drive through our safari fields and meet animals from all over the world. For the safety of visitors and the animals the following rules and precautions must be followed:

- Visitors will have to sign a waiver before entering safari fields
- Strict 5 mph speed limit (USDA requirement for animal safety)
- You must remain in your vehicle during the entirety of the tour
- Pets are not permitted in vehicle
- Jeeps and convertibles MUST have tops and doors on and all vehicles must keep all doors and trunks closed (Mesh doors on jeeps not permitted)
- No riding in the bed of pickup trucks
- No motorcycles, motor homes, buses, or trailers
- Touching animals is not encouraged
- Feeding animals is prohibited
- Loud noises are not permitted – including honking, music, and yelling
-

In addition, please note:

- The drive-thru trail is an unpaved, dirt trail with loose stones, possible animal dung, and occasional mud puddles
- Some animals may not be visible on every drive-thru
- No refunds for any reason after entering safari fields
- Price for the drive-thru will be \$8/person ages 3 and up. Admission to the park is not charged during the weekends of the Drive-thru.
